

Mosae Litsoane

Pittsburgh, PA, United States - 5167781293

OBJECTIVE

Looking to use 6 years of experience in leading and creating large scale agile software solutions to be an effective and impactful team leader, facilitator, and innovator to help drive business growth

WORK EXPERIENCE

Fishawack Health/StoneArch

Minneapolis/Remote

Front End Developer

Aug 2021 - Sep 2023

- Developed responsive websites for major medical companies that enhanced UI/UX and drove business growth
- Collaborated with cross-functional teams to identify customer requirements and develop technical solutions
- Building and customizing WordPress themes with great attention to detail and an eye for larger systems and process.
- Constant communication with project managers, designers, and developers, to ensure effective team communication and collaboration to deliver the final product on time
- Using agile development to deliver solutions iteratively in order to get feedback and make adjustments throughout the entire development life cycle.

Solomon Watson
